To whom it may concern:

I would like to thank you for participating in the Greater Chicago Food Depository's "Gain a Million Pounds" campaign this holiday season. Your coordination and participation in our annual food drive made it possible for us to collect a total of 1.05 million pounds. This is the equivalent of almost 1.4 million meals. Food drives play a critical role in our efforts to provide nutritious, shelf stable food for our hungry neighbors.

Your help was not only appreciated but deeply needed. In fact, in any given week over 90,000 hungry men, women and children turn to one of the 600 soup kitchens, food pantries, or childcare centers who rely on us for emergency and supplemental food. With your help, we can provide a consistent and reliable source of food.

Thank you, again, for working with us to fight hunger in our community. Because of you, someone will be able to eat today.

Sincerely,

Kate
