Pryor Receives Minority Bar Assn. of WNY's President's Award

Vikki L. Pryor, president and CEO of SBLI USA Mutual Life Insurance Company, Inc. (right), received the President's Award of the Minority Bar Association of Western New York recently, from the Honorable E. Jeannette Ogden, President of the Minority Bar Association of W.N.Y. (left) at the organization's 22nd Annual Scholarship Dinner held at the Buffalo Convention Center. Among her many achievements, Ms. Pryor was honored for her creation of the Marie Nesbitt "Promise Prize," an annual scholarship she created for a second year law student at the University at Buffalo Law School in memory of her great grandmother who inspired her to create a legacy of giving that will, over time, create a network of young people dedicated to achieving their human potential and giving back to their communities.
